Core Veneer Tape

Features

- Very high strength kraft paper backing.
- Eliminates stapling.
- Specially formulated adhesive ensures excellent bonding with various species of wood.
- Perforations improve bonding between two core panels/layers.
- The combination of high strength paper and special adhesive allows for rough handling and stacking of core panels over long periods without any issues.
- 100% environment friendly & Bio-Degradable.

Applications/Uses

- Our Core Veneer Tape is designed to withstand the extreme heat and pressure of the hot press.
- The tape is designed to minimize core gaps while manufacturing plywood.
- Designed to help you save cost and improve productivity by increasing the amount usable core veneer realized from logs.
